

REMARKS/ARGUMENTS

Responsive to the Office Action, Applicants have canceled all claims previously presented in this application and present herewith new Claims 29 through 32.

In the Office Action, the Examiner indicated that Claims 22, 23, 26 and 27 would be allowable if placed in proper form and included all of the limitations of the base claims and any intervening claims. Accordingly, Claim 22 is presented herewith in independent form as Claim 29, including the recitation of previously presented Claims 1 and 22. Claim 23 has been rewritten in dependent form as Claim 30 dependent on new Claim 29. Still further, Claim 26 has been rewritten in independent form as Claim 31 and includes all the limitations of canceled Claims 11 and 26 previously presented. Claim 27 has been rewritten as Claim 32 in dependent form and depending from Claim 31.

Claims 29 through 32 are believed to be in condition for allowance and an early Notice of Allowance of these claims is respectfully solicited.

Respectfully submitted,

Date: Oct. 20, 2004
